

**Distribution Agreement**  
**for Artists**

Let Deep Life Records be your One Shop Stop for **worldwide digital distribution**. **DeepLife Records Artists** will be distributed internationally to 200+ online digital music download stores. Deep Life Records also includes making your music available for **licensing in Film, television, video games, XM satellite radio, FM radio, embedded (OEM) products**, and a host of new media outlets. What all this means to you is **a bigger audience to spread the Gospel and more sources of income for you so you can continue to create music**.

The best part is, all you have to do to get started is fill out the form below, scan and email (or mail) it back to us. We do the rest. Our goal is to help promote your music any way we can.

By Submitting this agreement, the Artist(s) known as \_\_\_\_\_ hereby authorizes DeepLife Records to sell my current catalog for worldwide sales distribution for 55% of all sales going to the Artist(s). DeepLife Records will utilize the remainder for re-investment into the publishing, distribution, marketing, promotion, public relations, staff payroll, and radio servicing of your music to increase sales.

**Rights:** Respective artists will maintain all intellectual property rights and ownership of their music being digitally distributed through DeepLife Records.

**Disclaimer:** DeepLife Records will not be held responsible for the sale of unauthorized material containing songs without permission from the copyright holder. It is the artists' responsibility to make sure all copyright affairs are taken care of prior to DeepLife Records digitally distributing the project in question.
